1	The C.I. reports there an area of 46 acres of land out of T.S. No. 80 of Ilhal village in Gov. No. AHD 59 FGL 60 dt. 24-6-60 (placed below). But at the time of survey, after issue of Govt order, the applicants found that the area granted was not suitable for cultivation and have requested for alternate area in the same S. No. The C.I. has recommended grant of alternate area.
	Since the alternate area ~~has~~ is in the same survey no. it seems unnecessary to issue revised orders. The wording in Gov. dt. (P.I.Ct. 24.6.60) is 46 acres of land in T.S. No. 80 adjoining Vodgeri-village etc'. Now the deputy Comm at page 159 of the records recants orders as per Sketch on P. 113 i.e. area running east to west.

An area of 46 acres out of F.S.NO.80 of Ilhal was granted to 23 persons as per G.O.NO.AFD 59 FGL 60, dated 24.6.1960. But at the time of survey, after the issue of the Government Order, the applicants found that the area granted was not suitable for cultivation. In view of the above reason the applicants have requested for grant of alternate area in the same S.NO. It is seen from the reports that nearly half the area granted contains mostly boulders and stony surface and unsuited for cultivation. In the circumstances the Conservator of Forests recommend the grant of alternate area as proposed by the Deputy Commissioner, Belgaum. I agree with the proposal and request you to communicate orders for taking futher action.

The case papers may please be returned when done with.

2. The area of 46 acres granted by Government during 1960 was recommended in consultation with the Sarpanch of the V.P.C., and few other villagers. It is not known how this area was selected then.

On receipt of Government Orders sanctioning the above area of 46 acres it was found by the applicants at the time of actual survey by the Cadestrial Surveyor that the major portion of area is not suited for cultivation as it is steep slopes and contains mostly boulders and stony surface. The area now proposed to be given in exchange with the area already granted is suitable. The same may kindly be considered as already recommended under this office No. even dated 30-7-1962.
